

B.R.I.D.G.E. TO DATA[®] reaches another milestone - 200 database profiles!

Subscribers can now search, view, and compare [200 database profiles](#) from [27 countries](#). Recent additions include those from Bosnia and Herzegovina, Israel, and Russia. New profiles are added regularly - [please suggest](#) which ones to profile next.

We continue updating existing database profiles on an annual basis to ensure up-to-date and accurate information for subscribers. Database name changes, updated contacts, new surveys - we have it all covered!

[All posters](#) presented by B.R.I.D.G.E. TO DATA at ISPE, ISPOR, ACPE, and AcademyHealth meetings can now be read online.

[Personalized demos](#) are provided upon request. Contact us to schedule one.

Thinking of subscribing or renewing? Now is the time to do it; after more than 3 years, we are increasing rates on March 1, 2013. [Contact us](#) for details.

Upcoming Conferences

We will be at the ISPE and ISPOR conferences this year and hope to see you there! [Contact us](#) for more details.
