

June, 2012

Greetings!

We hope you enjoyed the recent ISPOR meeting in Washington, DC. Thank you for stopping by our booth. We hope you got a chance to view our poster - "**Evaluation of Sources and Types of Patient-Reported Outcome Data for Healthcare Research**". In case you missed it, you can download it from our website by clicking on the image below.

Congratulations to the three lucky winners of our raffle for FREE one month, unlimited access to [B.R.I.D.G.E. TO D.A.T.A.®](http://www.bridgetodata.org) - a Consultant from Navigant Consulting, an Assistant Professor from Mercer University, and a Graduate Student from Long Island University! Visit our booth next time and maybe you'll be our next winner!

We would love to hear from you, so please let us know how we can help you or if you would like a demo of [B.R.I.D.G.E. TO DATA®](http://www.bridgetodata.org). This unique online reference describing population healthcare databases serves as a valuable tool for your epidemiology and health outcomes research.
