How to Sign up

Welcome to B.R.I.D.G.E. TO DATA®.

This tutorial will walk you through the sign-up process.

1. To get started, click the blue **Sign up** button on the homepage.

2. In step one, select an account type - Investigator or Institutional Administrator.

   ○ Investigator .

      o Anyone who is signing up as a single user.

      o You will have the option of signing up additional users in the future.

   ○ Institutional Administrator

      o Main contact for a group of individuals, a company, organization, or institution

      o This person will have the ability to create additional user accounts for other users in the organization.

3. Once you have selected your account type, fill in the fields.

4. Make sure to select the correct Institution type and Subscription type.

5. Read and agree with our **Terms of Use | Privacy** and complete the CAPTCHA.

6. Click the **Create new account** button.

7. We will contact you soon with an invoice or quote for payment and account access.

We hope this tutorial has helped you with the "Sign up" process. If you have any questions, please email us at info@bridgetodata.org, or call +1-571-402-1576.
